

# Careers and Pathways in Manufacturing

UW-Green Bay Graduate Course Number - ED & HUD795-2, 752

Are you a school counselor, career advisor, educator or district personnel seeking to increase your knowledge of the many career choices students have upon graduation?

Join local business sponsors and the education community for the first in a series of 3, one-credit courses, created specifically for educators!

---

**Menomonee Falls and Germantown Chambers along with Second Chance Partners for Education are proud to sponsor this continuing education series focused on**

- Key skills and operational processes necessary for manufacturing
  - Needs of our local manufacturers in the next five years
  - New fields and careers open in the manufacturing industry
    - Career opportunities in advanced manufacturing
- Assisting students in making informed decisions about their career path

**These and many other key topics will be addressed during this interactive knowledge-building experience!**

**Open to all educators and those that want to learn more about manufacturing careers.**

---
