

Can't participate right now? Consider being a student sponsor.

If your company cannot become a partner of the Second Chance Partners program at this time, please consider a student sponsorship at one of the five levels. Your sponsorship will help a student for one year in the program and/or will support field trips, graduation events, job shadow opportunities and provide classroom technology and communication tools.

As a sponsor you will not only receive recognition for your involvement in the community, but your company logo will appear on printed media such as partnership informational brochures, the graduation announcement, press releases, informational DVDs and our website.

The Sponsorship Levels along with sample uses for the funds are as follows:

Level Support	Contribution	Examples of Program
Bronze	\$100	<ul style="list-style-type: none"> • Offsite Learning Opportunities • Curriculum Support/Materials • Technology & Equipment • Industry Expert Instruction • Student Sponsorship • Education Center Sponsorships
